Dear Parent,

It would be a huge help at each training session for the trailer of equipment to be brought there and back on a **rota basis**. If you have a tow-hitch, please let us know (Sean Cahill will show us all how to attach it safely!)

Please tick one box below!

Yes, I have a tow-hitch and would be willing to pull the trailer to training occasionally

I have no tow-hitch but will help tying the equipment onto the trailer and/or any other help as needed
